\* Prices shown do not include applicable taxes with all work performed at our facilities. Onsite services available at additional cost. Pricing may fluctuate due to model configurations and applications. For more information please contact your near location listed below. To receive and maintain Allison's extended service coverage, the documented use of Allison Transynd or approved TES295 transmission fluid and Genuine Allison Filters is required. Failure to adhere to these parameters will result in no extended coverage beyond the Standard Limited Warranty. Allison Transmission, Johnson & Towers, Dovell and Williams and the Johnson Truck Center reserve the right to change or modify this offer without notice. **Supplemental specialty items are additional.**
